

OVERVIEW

THE 2010 NOR-CAL SELECT EQUINE CONSIGNMENT AUCTION

TO: ALL CONSIGNORS:

We are very excited about the Nor-Cal Select Consignment Auction at the Murieta Equine Complex in Rancho Murieta, California to be held Saturday May 8th, 2010.

The horses will also be available for online bidding at the Auction website from April 19th until 9:00pm PST Friday May 7th.

We have contracted with **Bill and Terry Addis of Addis Equine Auctions** to manage the live auction.

This auction will have two separate sessions to better serve your needs.

- The **“Preferred Session”** - this session should have higher quality horses that should have a higher demand and command a higher price. Sellers in this session have the right to place a **reserve price**.
- The **“General Session”** - this session will have horses that may bring a lower price, mainly brood mares and young, untrained or general riding horses. Please note that these horses must sell **‘absolute’ (no reserve)** after an opening bid of no less than \$500.
- **NOTE:** Any consigned horse that does not achieve a starting bid of \$500 will be excused from the auction ring.

Please follow the instructions on the instructions letter and return consignment forms to us by **April 12th**. The earlier we receive your consignment, the better able we are to advertise your horse.

The Nor-Cal Select Auction will reserve the right to cancel the auction at anytime (refer to consignment agreement).

Sincerely,

Rik Harnden
AHANC
